Measurements

Collection: Renowned British designers Edward Barber and Jay Osgerby created TIBBO for an era in which indoor and outdoor living spaces are merging. DEDON's first collection in teak, TIBBO combines meticulous craftsmanship, superior comfort and remarkable lightness in a design that's distinctive, elegant and pure. Comprising both dining and lounge elements in a mix of teak, textiles and woven fiber, TIBBO conveys an exceptionally rich and luxurious look and feel.

Beach chair: This supremely elegant beach chair features a custom-made stainless-steel cast adjustment mechanism and hinges, curved teak slats, a comfortable cushion and three backrest positions.

Frame: This beach chair consists of premium teak.

Characteristics: Calmative, elemental, engaging, comfortable, nordic, hand-crafted, lightweight

Options: This item is also available with wheels.

Frame maintenance: Wash using DEDON teak cleaner. To retain the golden-brown color of unweathered teak, we recommend applying DEDON teak oil at least once in every six months. The beach chair has marine-grade stainless steel hinges, which should be cleaned regularly with fresh water.
