HIGH BACK EASY CHAIR

OTTOMAN

Beatrix fascinates you with the maximum comfort it affords, which is the fruit of tireless pursuit of aesthetics and functionality. A unique combination of wood, leather and fabric gives this chair an intriguing appearance. Its strong dignified back contrasts with the soft cushions, and its modern yet nostalgic design exudes warmth. The frame design is bold yet elegant, a wonder achieved by the use of vegetable tanned thick leather and an effective combination of fabric and the leather. The imposing appearance created by the thick leather enhances the finishing quality of the boldly curved headrest and the seat that wraps you in comfort. The soft cushion lining on its backrest gently holds you and the deeply curved headrest appropriately cuts you off from your surroundings.
