SPECIFICATIONS

Textile: The all-weather parasol textile is made from 100% spun polyester. Spun polyester does not wrinkle nor shrink and is a colour-fast material resistant to stains.

Wood: Kapur wood is an excellent choice for parasol poles due to its strength and weather-resistant properties. The wood comes from Indonesia and is FSC-certified (100%). It has been lacquered and will slowly develop a patina over time because of the surface treatment.

WEIGHT

8.7 kg / 19.2 lb

COUNTRY OF ORIGIN

Wood origin: Indonesia

PRE-ASSEMBLED

No

PACKAGING

The units are shipped in a recycled cardboard box. All packaging material can be recycled.

CLEANING AND CARE

Find recommendations for cleaning and care at: fritzhanzen.com/maintenance

REPAIR, DISPOSAL AND REUSE

In case of repair and disposal the units can be disassembled into parts. All parts can be recycled. Check local regulations for recycling options and whether there is potential for reuse.

WARRANTY

Fritz Hansen provides a five-year warranty on standard products against defects in materials and workmanship.

Additional warranty conditions can be found at: fritzhanzen.com/warranty
