

# VISU TUBE BASE CHAIR

## FURNITURE / LIGHTING / ACCESSORIES

# PRODUCT FACT SHEET

**MIKA TOLVANEN ON THE DESIGN** "The task was to create a personal interpretation of the ever-relevant plywood chair. I wanted my chair to have an unobtrusive and timeless nature that is familiar but never boring and without sacrificing function or ergonomics. Designing a family of chairs, visually related but for different functions, was an interactive and thorough process lasting nearly two years. In the end, I think every detail is exactly as it is supposed to be."

### PROCESS

Shell is form pressed from wood veneer, then lacquered. The steel tube base is CNC-bent and powder-coated.

### DESIGNED BY / YEAR OF DESIGN

Mika Tolvanen / 2014

### TYPE

Shell chair

### DESCRIPTION

Stackable chair for private and contract interiors available in a three colors. Visu is also available with sled base or wood base. Up to 15 chairs can be stacked on top of each other.

### ENVIRONMENT

Indoor

### SPARE PARTS

Comes with standard glides

### TESTS & CERTIFICATES

The Danish Technological Institute - EN 16139: L1 Tested to withstand use in both short and longer periods of time, as well as use with both light and heavy loads on the chair. i.e. office buildings, educational institutions, showrooms, restaurants and public areas.

### CLEANING INSTRUCTIONS

Clean on a regular basis using a damp and clean cloth. Remove stains using a mild mixture of water and detergent. Avoid contact with sharp objects as these can leave scratches in the wood and lacquer.
