

Ranka

“Ranka” is similar to “grapevine” in Swedish, and was the inspiration for designer Jonas Bohlin to create a ceiling lamp with an organic and rounded shape to hang over the dining or meeting table. Ranka comes in two sizes with five or seven light sources.

Red Structure RAL 3001

White Structure RAL 9016

Olive Green Structure RAL 6003

Specifications

TECHNICAL SPECIFICATION

Designer	Jonas Bohlin
Electrical data	Class I IP20 230V
