TABLES

Antonio Citterio

Description

Recipio, born of an element designed to act as a bedside table, today the collection includes a console, a series of round and rectangular multipurpose tables, a writing-desk with a drawer and a dining table in two sizes available in grey oak, brushed light oak or brushed black oak. All elements have a tub-shaped top that resembles a curved tray. Recipio is available in the shellac finish in black, red and soia.
