LUNAR ADDICTION

ARCHITECTURAL COLLECTION

designed by Studiopepe.

A constellation of deconstructed forms crash against one another in *Studiopepe's* Lunar Addiction collection. Each rug is articulated by a series of contrasts: complex patterns against visual regularity; flat surfaces alongside three-dimensional components; rough versus smooth textures. The rugs' asymmetrical configurations are interrupted by pure graphic elements, giving each composition a contemporary edge. Each piece is composed of a shaggy pile in natural Himalayan wool juxtaposed against ultra refined and finished sections that are meticulously sculpted by hand.
