## Measurements

**Collection:** MBRACE brings cocooning comfort, iconic style and a modern material mix of teak and fiber to the outdoors. Sebastian Herkner's award-winning collection takes its name from the welcoming gesture of the seating, which wraps users in a cosy embrace. Now available in Baltic, Sea Salt and four other colorways, MBRACE comprises a full range of dining and lounging elements, including coffee and side tables with handcrafted ceramic surface patterns.

**Characteristics:** Friendly, engaging, embracing, innovative, handcrafted.

**Side table:** The side table Ø 35 cm (Ø 13¾") features a solid-teak base with a frost-proof, non-absorbent, impact-resistant ceramic tabletop in a handcrafted pattern. Available in chalk, taupe or black, the side table Ø 35 cm (Ø 13¾") combines with the MBRACE coffee tables and other side tables to create a series of overlapping tabletops.

**Frame:** The base consists of natural finish teak. The tabletops are made of Monolite Ipergres®, a frost-proof ceramic material.

**Maintenance:** Clean with a soft cloth and warm water. Wash the teak base using DEDON teak cleaner. To retain the golden-brown color of unweathered teak, we recommend applying DEDON teak oil at least once in every six months.
