FLOW CHAIR COLOR

Designed by Jean Marie Massaud

The natural progressive ambition, to implement our products, the Flow collection completes itself and enriches with new versions in terms of architecture, finishes and quality components, in tune with the environmental challenges of our age. More than a product, the Flow collection embodies a clever and sensitive look of our age.

At the same time radical and delicate, graphical and sensual, Flow Chair Color single colour silhouettes offer a new interpretation of our hybrid icons. Declined in a range of colours the designer has defined "natural colour of Japan": a unique combination of simplicity and refinement.

A family of seatings of great impact and comfort. Designed for the home, the office and the community areas.
