LOUNGE CHAIR

design Atelier D.Q.

2014 | 2017

The square form of the sofa imparts a feeling of relaxation and comfort. While composed of flat surfaces on three sides it evolves into a three-dimensional form rich in organic beauty. The luxurious base of thick leather is accentuated with a belt design bringing out the full beauty of the materials. The interplay of light and shadow on the delicate texture reveals its quiet, refined feel. Alvar Aalto once said, "The furniture, the fabrics, the color schemes and the structures can be earnestly and happily made so that they produce no contrast to the tragedy and comedy of human life." And in keeping with his philosophy our sofa incorporates softness into its very design for satisfyingly deep comfort and relaxation.
