HAY

BALCONY COLLECTION

DESIGN BY RONAN & ERWAN BOUROLLEC, 2022

Balcony is a new furniture collection of chairs, lounge chairs, tables and benches designed for HAY by Ronan and Erwan Bouroullec. The square design is softened by the rounded edges and holes, which not only give the collection a distinct expression, but also strengthen the construction. Made in powder-coated steel with an outdoor primer for optimal resilience and durability, the collection of outdoor furniture is well suited to balconies, gardens and other outside spaces. All Balcony models are available in different colour options.

HIGHLIGHTS

Take care not to scratch the chairs against each other when stacking them. Do not move or drag the chairs around when stacked as the weight will damage the legs.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.

BALCONY CUSHION COLLECTION

Adding extra comfort and functionality to the Balcony collection, the Balcony Cushion has a rectangular shape that fits the seat perfectly. The padded cushion features an anti-slip bottom to keep it securely in place. The fabric is Teflon®-coated for a water-repellent finish and has a high UV resistance, meaning it is fade-resistant with good colour fastness properties. The cushions are available in different sizes and colours and can be used all year round.
