LED lamp only MAX 12W

WEIGHT

8kg net, 9kg gross

CORD

200cm fabric cord provided
Inline switch on cord
5amp plug available

YACHT FIXING

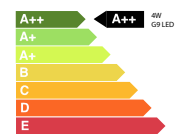

Yacht / surface mounted available

DESIGN NOTES

For a small table lamp, it really makes an impact. Mirrored on both sides, the warm glow from the centre opal glass shades throw highlights across the surface of the stepped alabaster. The solid brass base grounds the lamp, hand-finished to a dark, aged bronze.
