

Notes | Indoor - Outdoor

design Massimo Mariani

Table available for indoor and outdoor, with cement and blu-tinted glass top (indoor/outdoor use), wood or clear glass (indoor use only).

Indoor/outdoor version: Ø 30mm tubular steel frame with junction steel bar, section 80x15mm, finished with a galvanizing base and coated with polyester epoxy powder gunmetal colour with black PVC tips.

Top in cement consisting of a special high-strength concrete, reinforced with fiberglass and a glass net with embedded a DOLUFLEX® panel, thickness 15mm, fitted with fastenings to fix it to the base. Surface in fine sandblasted finish and treated with hydro and oleo repellent products.

Available in the colours in collection: anthracite gray and natural gray. Top in wood, with water-based acrylic paint finish, made in "sandwich" of MDF and aluminum sheet pressed and glued together, veneered with 10/10 plates of chestnut, natural or charcoal dyed or Stone Oak®; beveled edge and bottom always matt satin lacquered in the finish of the top.

Top in 12mm tempered clear glass, or in 10mm tempered blue-coloured glass to which are fixed, with a UV-cured adhesive, small plates with a conical counter bore to align it with the structure.

All top versions are secured to the frame by means of tie rods.
