

**TIGRIS – BEIGE/BROWN**

The collection sees mid-century modernism reimagined through a contemporary lens. Designed for Jessie Andrews' Tase Gallery. Including a bold take on timeless animal prints and architectural geometric shapes. Underpinned by a color palette of intriguing tones. Deep maroons and golden hues bring warmth while dusty powder blues and creams add lightness. Tigris is an ode to the wilder side of the everyday. Blending elements of a tiger and a zebra. A print to stop you in your tracks.
