## Raimond II Zafu

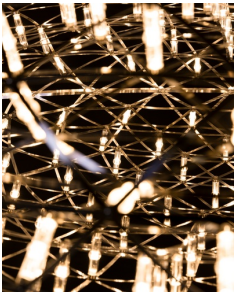

RAIMOND PUTS

The Raimond Zafu creates an extra-terrestrial effect with its elliptical shape and tiny LED-lights. Like its spherical family members, the Raimond Zafu is made from the same elegant metal strips and mathematical ingredients. The name Zafu comes from the transcendental shape inspired by designer Raimond Puts' meditation cushion. Raimond Zafu is compatible with our Wireless Wall Switch, for quick and easy dimming that gives you full control over the light output.
